## FIM World Touring Challenge

Dear Friends,

As you may know, in January 2019, the Code for Touristic Gatherings (CTG) was updated and slightly modified. One of the main changes concerns the Category 2, which has been named “FIM World Touring Challenge”. This category comprises touristic gatherings organised and run under the aegis of the proposing FMNR. At the end of the season participants who have decided to compete for the challenge can be awarded the title of “FIM Touring World Challenge Winner” in the individual or the Motorcycling Club class and can be invited to attend to the FIM Awards. To be eligible for the competition, participants shall:

- Participate in the FIM Rally and FIM Mototour of Nations within the season;
- Participate in at least 50% of the events in the calendar including one taking place outside their CONU;
- Take part in the entire event.

The points are assigned on the basis of presence (with a motorcycle) at the gatherings and multiplied if the participant is present with his/her own motorcycle (that can be pre-registered). The 2019 calendar is as follows:

| EVENT                                      | CONTACT | PLACE             | COUNTRY | START DATE | END DATE   | FMN  | IMN    |
|--|---------|-------------------|---------|------------|------------|------|--------|
